

## Internet Explorer Settings for Summon

In some cases the security settings on the Internet Explorer browser block access to Summon. To get around this you need to set your browser to **Accept all Cookies**. Go to Tools -> Internet Options -> Privacy Tab and move the slide bar down so that it shows 'Accept All Cookies' as shown:

Please contact [libraryservices@gmit.ie](mailto:libraryservices@gmit.ie) if you are experiencing further problems.
